\$75 annual lab fee for high school students

\$60 discount per quarter for full academics 2 or 3 days per week w/ algebra or geometry

Priority is given to full-day students. Availability for a la carte academic classes - including writing, novel study, U.S. History, and biology - is first come first served. We do keep a wait list for these classes.

\$30 materials fee for all biology courses

Materials fee TBD for algebra/geometry
